REPORT OF INDEPENDENT AUDITORS

Board of Directors Community Foundation of Switzerland County, Inc. 303 Ferry St. Vevay, Indiana 47043

<u>Opinion</u>

We have audited the accompanying financial statements of Community Foundation of Switzerland County, Inc. (the "Organization"), a nonprofit organization, which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Community Foundation of Switzerland County, Inc. (the "Organization") is a not-for-profit entity that began operations on January 1, 2000. The Organization is located in Vevay, Indiana, and was organized to assist donors in building an enduring source of charitable assets to benefit the Switzerland County area.

Management's Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities and the reported support, revenues and expenses. Actual results could vary from the estimates that were used.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis, and have been prepared with a focus on the entity as a whole. Net assets, support, revenues, gains, and losses are classified based on the existence or absence of donor restrictions. Accordingly, the net assets of the Organization are classified and reported as follows:

Net assets without donor restrictions: Net assets that are currently available for operating purposes under the direction of the board of directors (Board) or designated by the Board for specific use. The Organization maintains net assets without donor restrictions as follows:

Operating – used to fund current operations of the Organization

<u>Board designated reserve</u> – used to fund future special programs or projects of the Organization as determined by the Board

<u>Administrative endowment</u> – established with the expectation that the principal be maintained in perpetuity to generate grants, subject to the spending policy, used to support the general operations of the Organization as designated by the Board

Net assets with donor restrictions: Net assets subject to donor stipulations for specific purposes or time restrictions. These include donor restrictions requiring the net assets be held in perpetuity or for a specified term to support operations or specific purposes. The Organization maintains net assets with donor restrictions as follows:

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

<u>Restricted for specified purpose</u> – all contributions to the Organization with the intention of the donor to be held for a specific program or in a donor restricted non-endowed fund

<u>Restricted in perpetuity – endowment</u> – all contributions to the Organization with the intention of the donor that the assets be held in perpetuity and managed in accordance with the Organization's spending policy

<u>Restricted subject to the Organization's spending policy</u> – investment earnings on assets restricted in perpetuity – endowment and managed in accordance with the Organization's spending policy

<u>Cash</u>

Cash consists primarily of money market and checking accounts and excludes amounts held by the Organization's fund managers and included in investments.

Investments and Investment Return

The Organization carries its investments at fair value for financial reporting purposes. Changes in unrealized appreciation or depreciation of investments are reflected in the Statements of Activities in the periods in which such changes occur.

Interest and dividend income and net unrealized and realized gains and losses on investments are recognized as net assets with or without donor restrictions based upon the existence or absence of donor imposed restrictions or the related fund classification in accordance with the Organization's spending policy.

Support, Revenues and Expense Recognition

Contributions, which include unconditional promises to give (contributions receivable), are recognized as revenues in the period the contribution is received or the promise is made. Contributions received with donor imposed restrictions are reported as restricted support and increase net assets with donor restrictions.

Support and revenues are reported as increases in net assets without donor restrictions unless use of the related asset is limited by donor imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in either net assets with or without donor restrictions in accordance with the classification of the fund.

All other revenue is recorded when earned.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Income Taxes

The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal taxes on related income pursuant to Section 501(a) of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Organization, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

As such, the Organization is generally exempt from income taxes. However, the Organization is required to file Federal Form 990 – Return of Organization Exempt from Income Tax which is an informational return only.

Administrative Fees

Administrative fees are expensed from the funds to support the operations of the Organization and are considered program expenses. Administrative fees from all funds are reflected as revenue on the Statements of Activities. The administrative fees from custodial funds are not included as expenses on the Statements of Activities because they are included in the change in custodial funds.

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the Statements of Activities and Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report expenses that are attributed to more than one program or supporting function. These expenses include salaries and wages, payroll taxes and employee benefits, office supplies and various occupancy expenses. These expenses are allocated on the basis of estimates of time, effort, and usage. While the methods of allocation are considered appropriate, other methods could produce different results.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Reclassifications

Certain prior year amounts have been reclassified to conform to the current method of presentation. The reclassifications had no impact on the change in net assets.

Subsequent Events

The Organization has evaluated events or transactions occurring subsequent to the Statement of Financial Position date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is February 16, 2024.

2. CERTIFICATE OF DEPOSIT

The Organization holds a certificate of deposit of \$431,234 at December 31, 2023, which bears interest at 5.00 percent and has a maturity date of October 2024. At December 31, 2022, the Organization had a certificate of deposit of \$419,229 which bore an interest rate of 2.35 percent and matured in October 2023. The certificates of deposit are recorded at cost plus accrued interest.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

3. INVESTMENTS

Investments consist of the following:

	 2023	 2022
Cash	\$ 158,312	\$ 333,148
Equity mutual funds		
Mid/small	578,226	711,100
Large cap	6,103,974	4,933,973
Fixed income mutual funds		
Short-term	298,600	481,521
High yield	323,996	289,094
Inflation-protected bond	228,384	219,744
Equity exchange traded fund		
Mid/small	917,030	824,794
Large cap	3,057,970	2,603,845
World/emerging market	674,788	623,025
Fixed income exchange traded fund		
Mortgage backed securities	539,361	-0-
U.S. government securities	651,330	846,866
Corporate bonds	 1,123,485	 955,663
	\$ 14,655,456	\$ 12,822,773

4. RISKS AND UNCERTAINTIES

The Organization holds investments (Note 3), which are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying financial statements.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Organization has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds and exchange traded funds*: Valued at the daily closing price as reported by the funds. Mutual funds and exchange traded funds ("funds") held by the Organization and are funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Organization are deemed to be actively traded.
- *U.S. government securities:* Valued using pricing models maximizing the use of observable inputs for similar securities.
- *Corporate bonds:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing values on yields currently available on comparable securities of issuers with similar credit ratings.

The following table sets forth by level, within the hierarchy, the Organization's assets measured at fair value on a recurring basis as of December 31, 2023 and 2022:

	2023										
		Fair Value		Level 1		Level 2					
Assets:											
Investments											
Mutual funds	\$	7,533,180	\$	7,533,180	\$	-0-					
Exchange traded funds		5,189,149		5,189,149		-0-					
U.S. government securities		651,330		-0-		651,330					
Corporate bonds		1,123,485		-0-		1,123,485					

		2022	
	Fair Value	Level 1	Level 2
Assets:			
Investments			
Mutual funds	\$ 6,635,432	\$ 6,635,432	\$ -0-
Exchange traded funds	4,051,664	4,051,664	-0-
U.S. government securities	846,866	-0-	846,866
Corporate bonds	955,663	-0-	955,663

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

6. CUSTODIAL FUNDS

Custodial funds represent funds placed on deposit with the Organization by other organizations based on their individual board resolutions. The Organization accounts for these transfers as a liability in accordance with applicable accounting standards. Income is added to these funds periodically in accordance with the Organization's investment allocation policies. Contributions by, investment interest credits for, and distributions to those organizations are reflected as adjustments to the liability account and are not reflected in the Statements of Activities.

Following is a progression of custodial funds during 2023 and 2022:

		2023	2022			
Beginning balance	\$	475,177	\$	565,875		
Contributions	·	5,341	·	30,445		
Investment return, net		77,372		(94,456)		
Administrative fees		(7,963)		(7,223)		
Grant payments		(10,198)		(19,464)		
Ending balance	\$	539,729	\$	475,177		

7. NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions in the amount of \$489,204 and \$586,885 based on funds appropriated for expenditure for the years ended December 31, 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

8. ENDOWMENT

The majority of the Organization's funds consist of endowed funds established for a variety of purposes. Its endowment includes both donor restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulation to the contrary. As a result of this interpretation, the Organization retains in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Donor restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the donor restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

From time to time, due to unfavorable market fluctuations, the fair value of assets associated with the individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. The Organization has a policy that permits the Board of Directors to reduce the spending rate of the endowment fund when such a rate would take a fund below its historic gift value; thereby, not allowing spending from underwater endowment funds, unless otherwise precluded by donor intent or relevant laws and regulations.

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding for granting purposes while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor restricted funds that the Organization must use for a donor specified purpose as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce long-term growth of capital without undue exposure to risk. The Organization expects its endowment funds, over

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

time, to provide an average rate of return of approximately 7 percent annually. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate of return objectives, the Organization relies on a total return strategy in which investment decisions shall be made with the intent of maximizing the long-term total return of the portfolio through market value changes (realized and unrealized) and through earned income (dividends and interest).

The Organization has a policy of appropriating for distribution each year 4 percent of its endowment funds' average fair value over the prior 20 quarters, or a lesser percentage as voted upon annually by the Board of Directors. In establishing this policy, the Organization considered the long-term expected return on its endowment.

Endowed funds by net asset type at December 31, 2023 and 2022 were as follows:

	20	23		2022						
	 Vithout DonorWith DonorRestrictionsRestrictions				thout Donor estrictions	With Donor Restrictions

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

9. LIQUIDITY AND AVAILABILITY

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its awarded grants, general expenditures and other obligations become due. The Organization invests cash in excess of daily requirements in money market accounts, certificates of deposit, and other short-term investments. Financial assets available for general expenditures within one year of the Statement of Financial Position date (operating and board designated reserves) are comprised of the following as of December 31, 2023 and 2022:

	2023		2022	
Cash Certificate of deposit	\$	193,598 314,714	\$	211,215 272,633
	\$	508,312	\$	483,848

The Organization's endowment funds consist of donor restricted endowments and funds designated by the Board as endowments. Income from donor restricted endowments is restricted for specific purposes with the exception of the amounts available for general use. Donor restricted endowment funds are not available for general expenditure. The Organization has an annual grant approval process. This process includes evaluating a number of factors relative to the spending rate to be applied to the Organization's fund balances in accordance with its spending policy. Once the Organization's Board approves the spending rate, the related dollar amount of the funds becomes available for general expenditures.

While not subject to the Organization's spending policy, expenditures from donor restricted nonendowed funds must be approved by the Board and, therefore, are not available for general expenditure until that time. Non-endowed funds are held in cash, certificates of deposits or liquid investments and are made available upon appropriation.

The administrative endowment is subject to an annual spending rate of 4 percent as described in Note 8. Although the Organization does not intend to spend from this administrative endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available, if necessary.

The Organization also relies on the administrative fees it charges its funds annually ranging from 1.5% to 2% of fund balance to fund operational expenditures.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

10. CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash in bank deposit accounts insured by the Federal Deposit Insurance Corporation at its current coverage levels. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk related to these accounts at December 31, 2023 and 2022.

Marketable securities and money market funds are maintained with one investment firm. Such balances exceed the Securities Investor Protection Corporation insured limits of up to \$500,000.
